AUSTRALIA

DISCOVER BEAUTY RICH AND RARE

There's no place quite like Australia. From picture perfect beaches and tropical rainforests, to cosmopolitan cities and world-class cuisine, there's so much on your doorstep to discover.

CAIRNS
Cairns is the gateway to some of Australia's most beautiful natural attractions. Experience the Great Barrier Reef, one of the world's seven natural wonders. Or venture into the Daintree Rainforest on a guided tour, where you can spot crocodiles in their natural habitat.

MELBOURNE
Australia's culture, coffee and shopping capital. Grab a flat white, then start off on the Great Ocean Road.

ADELAIDE
Easy day trips from Adelaide include the Barossa Valley and Clare Valley, two of Australia's most popular wine regions. Explore Fleurieu Peninsula's beaches or head to the Adelaide Hills.

EDEN
Known as one of Australia's best whale watching locations, Eden means "a delightful place," which is what you can expect to see in New South Wales' most southerly town. Visit Ben Boyd National Park and walk along its rugged cliffs to Boyd Tower and Red Point Lookout.

HOBART
Home to Cradle Mountain, the World Heritage-listed Port Arthur Historic Site and the eccentric Museum of Old and New Art among other things to do in Tassie.

SOUTH PACIFIC

EMBRACE THE ISLAND LIFE

Turquoise waters, pristine beaches and vibrant cultures. This is the stunning South Pacific, with island after island just waiting to be discovered. So why not discover it with the best in the South Pacific?

LIFOU

The largest of three islands in the diverse Loyalty Island coral archipelago, Lifou is surrounded by secluded coral reefs, limestone grottoes and powdery white beaches.

LUGANVILLE

Venture over rocks and make your way through leafy jungles to find Luganville's natural blue hole and hidden caves.

PORT VILA

In Port Vila, Vanuatu's energetic capital, you'll be greeted by friendly Bislama-speaking locals and street-side markets. Walk around the centre of town — you'll see a touch of French influence still remains in the form of bistros and murals.

MYSTERY ISLAND

Uninhabited and untouched by modern society, Mystery Island at only 200 metres wide, boasts picture-perfect beaches with turquoise water - perfect for snorkelling and water activities.

ISLE OF PINES

Time will stop when you first lay eyes on the Isle of Pines' glittering blue water and white, powdery beaches. "The Jewel of the Pacific", this small isle greets you with the spiny trees that line its shores — these pines give the island its name.

NOUMÉA

A melting pot of ethnicity and culture, sunny Noumea will quickly win you over with its upbeat city vibe. The capital city of New Caledonia offers some of the best weather in the South Pacific.
