Terms & Conditions: All Onboard Spending Credits are in U.S. dollars. Onboard Spending Credits are valid only for new reservations. The Future Cruise Deposit is valid for four (4) years. The deposit should be applied to a booking that sails within four (4) years from the date of purchase. If the Future Cruise Deposit is not used within that time, the deposit will be refunded. Not applicable for cruises less than three days in length, Grand World Voyage, Grand Voyages or segments thereof. Applies only to the cruise portion of Alaska Land+Sea Journeys. Please speak to the Future Cruise Consultant regarding other amenities for these voyages. If the booking made on board is cancelled outside of the cancellation period you will retain the Future Cruise Deposit to use on another cruise but will lose the additional Onboard Spending Credit (promo ZPM) applied to the original booking for booking while on board. The Onboard Spending Credit with promotion code ZPM applies to the 1st and 2nd guest in each stateroom only. The cancellation policy outlined above also applies to euro and British pound sterling bookings made and deposited with a Future Cruise Deposit on board one of our ships, as long as the cruise is cancelled at least 120 days or 90 days prior to departure based on the itinerary, or your final payment date, whichever comes first. For bookings not made while on board, standard euro (20%) and British pound sterling (15%) cancellation fees will apply if the booking is cancelled within the published cancellation period; however, up until 120 days or 90 days prior to departure, based on the itinerary or final payment date, whichever comes first, guests may cancel their original booking and apply their deposit or Future Cruise Deposit to a new cruise that is at least 50% of the length of the original booking, without losing their deposit.
